

# Instructions for Lab 4, Part 2, Assignment C

## The Civil War and Reconstruction

CIS 195 Web Authoring 1

### Introduction

After finishing Part 1 of this lab assignment, you are ready to do Part 2, which is the Case Problem

### Part 2

**Case Problem 3:** Students in assignment group B will do Case Problem 3, *Long's Peak Interactive Map*.

Just as with the tutorial and review, it is best to look at the picture on page 312 and write your HTML code to make a web page that looks like the picture. If you have difficulty, then look at the step-by-step instructions.

The starting files for this web page are in the *tutorial.04/case3/* folder in the *tutorial.04.zip* file.

### Posting Your Work on Moodle

Once you have finished parts 1 and 2 of this lab assignment, you can submit the beta (draft) versions of your web pages. The complete instructions for submitting your lab work are in the Lab 4 Instructions for Part 1.
