

Instructions for Lab 3, Part 2, Assignment A

International Cryptographic Institute

CIS 195 Web Authoring 1

Introduction

After finishing Part 1 of this lab assignment, you are ready to do Part 2, which is the Case Problem

Part 2

Case Problem 1: Students in assignment group A will do Case Problem 1, *International Cryptographic Institute*.

Just as with the tutorial and review, it is best to look at the picture on page 214 and write your HTML code to make a web page that looks like the picture. If you have difficulty, then look at the step-by-step instructions.

The starting files for this web page are in the *tutorial.03/case1/* folder in the *tutorial.03.zip* file.

Posting Your Work on Moodle

Once you have finished parts 1 and 2 of this lab assignment, you can submit the beta (draft) versions of your web pages. The instructions for submitting your lab work are in the Lab 3 Instructions for Part 1.
