

Instructions for Lab 2, Part 2, Assignment C – Higher Ed

CIS 195 Web Authoring 1

Introduction

After finishing Part 1 of this lab assignment (in Lab1Part1.pdf) you are ready to do Part 2, which is the Case Problem

Part 2

Case Problem 1: Students in assignment group C will do Case Problem 1, *Higher Ed*.

Just as with the tutorial and review, it is best to look at the picture on page 127 and write your HTML code to make a web page that looks like the picture. If you have difficulty, then look at the step by step instructions.

The starting files for this web page are in the *tutorial.02/case1/* folder in the Lab1Start.zip file.

Posting Your Work on Moodle

Once you have finished parts 1 and 2 of this lab assignment, you can submit the beta (draft) versions of your web pages. The instructions for submitting your lab work are in the *Lab2Part1* document.
