

Instructions for Lab 2, Part 2, Assignment C

The Civil War and Reconstruction

CIS 195 Web Authoring 1

Introduction

After finishing Part 1 of this lab assignment, you are ready to do Part 2, which is the Case Problem

Part 2

Case Problem 2: Students in assignment group B will do Case Problem 2, *Mountain Wheels*.

Just as with the tutorial and review, it is best to look at the picture on page 216 and write your HTML code to make a web page that looks like the picture. If you have difficulty, then look at the step-by-step instructions.

The starting files for this web page are in the *tutorial.03/case2/* folder in the *tutorial.03.zip* file.

Posting Your Work on Moodle

Once you have finished parts 1 and 2 of this lab assignment, you can submit the beta (draft) versions of your web pages. The complete instructions for submitting your lab work are in the Lab 3 Instructions for Part 1.
