

## Instructions for Lab 4 – Sunny Acres

CIS 195 Web Authoring 1

### Introduction

You will be creating two web pages described in Tutorial 3 of our textbook, *HTML, CSS and Dynamic HTML*. For best results, read the explanations in the tutorial (but not the steps) before writing HTML code for your web pages. You might want to read a few pages and then try writing some code, read a few pages, then write some more code.

Starting files for this lab are in the *tutorial.03.zip* file on Moodle.

### Part 1

- A. **Tutorial 3:** Create the *Sunny Acres* web site described in the tutorial.
  
- B. **Review:** Create the *Holidays on the Farm* web page. Again, it's best to just look at the picture of the completed page and write HTML code to make a web page that looks just like the picture.  
**Best Practice:** Make the web page by just looking at the pictures of the completed pages (shown at the end of this document) and then trying to write HTML that makes a web page look just like the picture. If you run into difficulty, then look at the step by step instructions. In "real life" you wouldn't have step by step instructions.

### Part 2

Do any one of the case problems 1 - 3 for Tutorial 3.

### Submitting your lab work

1. Zip the *tutorial.02* folder along with its tutorial, review, and case subfolders.
2. Upload your *tutorial.02.zip* file using the *Production Version* assignment link on Moodle:

## The Corn Maze

Welcome to the Sunny Acres Corn Maze. We first heard about mazes from agricultural exchange students who came from England in 1985. In Europe, mazes are very popular in castle gardens. After hearing about the mazes in Europe, we thought it would be a great idea to build one of our own right outside of Council Bluffs.

Since 1997, thousands of people have enjoyed our Corn Mazes. We hope that your family gets as much enjoyment out of this year's Corn Maze as we did building it! Our family would like to invite your family to come out and visit us at this year's Corn Maze and AutumnFest.

Our new 15-acre maze (with over 4 miles of trails to explore) is filled with twists and turns that are good fun for adults and kids alike! See how adventurous you are as you wind through the maze while taking an interactive quiz. Answer the questions correctly and receive additional clues to solve the maze. For families with young children, our maze is filled with jokes, riddles, and quests. Try to be the first in your group to punch out your quest card by visiting the secret spots. This maze is the perfect size and height for little ones. Resting places and educational displays are scattered throughout.

There is no water available in the maze. Make sure you bring water bottles with you! No one under the age of 12 will be allowed in the maze without an adult at any time.

## Hours

- Open August 3 through November 11
- Fridays: 5 pm - 9 pm
- Saturdays: 11 am - 9 pm
- Sundays: 11 am - 5 pm
- Open Labor Day 11 am - 5 pm

## The Haunted Maze

Back for another year, every night the Sunny Acres Corn Maze becomes the Sunny Acres Haunted Maze. This season's maze begins with an encounter with an evil organist (played by the Council Bluffs Choir's own Glenn Frye). Explore the maze and find the zombie graveyard, the pumpkin tower, and a haunted house made of corn--not to mention the spiders, ghosts, witches, and other assorted villainy that inhabit the maze.

The Haunted Maze is open the last three weekends of October with a special event on Halloween. Come early in the day to explore the larger Corn Maze, stay for a homemade meal of brats, burgers, soda, and chips, and then participate in the Halloween Festival. Special stations will be set up in the Haunted Maze for trick-or-treaters. A smaller maze is also available that is "scare-friendly" for younger children.

## Hours

- ▶ Open 5 pm - 9 pm on October 14, 15, 21, 22, 28, and 29
- ▶ Halloween Festival October 31 from 3 pm - 9 pm

## A d m i s s i o n

- ▶ 12 and over: \$8.50
- ▶ 6 - 11: \$6.50
- ▶ Under 6: \$2.50

### The Petting Barn

The Sunny Acres Petting Barn, conveniently located northeast of Council Bluffs, is a perfect setting for people of all ages to learn about farming and farm animals. At our farm you can enjoy over 100 friendly farm animals in a clean, relaxed, hands-on environment. The kids can bottle feed the baby goats, lambs, and calves in the Nursery and Bottle Baby pens. Come join us for a fun-filled day.

Teachers: our Petting Barn is an educational experience. Stroll around our 15 acres of open pasture and see animals in their natural habitat. Special events can be arranged for school field trips and classroom activities. Pony rides are available Saturdays and Sundays from April through October (weather permitting). Maximum rider weight limit of 75 pounds, please.

Bring a picnic lunch and stay the day, or just enjoy a peaceful hour. Perfect for school or church groups, day-care centers, family outings, company picnics, and especially birthday parties. Please come and enjoy our wonderful country atmosphere and relax! We invite you to come out and visit us often. There are always new and exciting events happening at Sunny Acres ... and that's just the way we like it!

## Holidays on the Farm

This year Sunny Acres becomes Wintery Acres as we institute our first Holidays on the Farm. Join us on weekends from November 23 through January 5 for holiday cheer and festivities.

The Sunny Acres Farm Shop will be decked out in bright and colorful holiday decorations with special prices on garlands, tinsel, ornaments, and wreaths. Be sure to sample our homemade egg nog and bring some home for your family.

The trails and hills around Sunny Acres will be alive with fun and games. Come join us for sleigh rides or zoom down our awesome sledding hill (weather permitting). Sunny Acres is adjacent to Dawson Park, which has a vast network of cross country ski trails for every level of skier.

We've even decorated our barn for the holidays. Come visit Santa's stables, where you might even see a few reindeer--perhaps even one with a red nose!
